

## HOLIDAY FOOTBALL CAMP FUN

## Fun and games at Holiday Football camp

In the July School holidays, Thomas Hassall Anglican College hosted a Holiday Football Program. This program ran from Monday to Friday and gave the children involved an opportunity to refine and improve their soccer skills.

Sonny Makko, our well-respected and highly experienced Football Director, ran drills and other activities which aimed to improve areas like agility, ball control, shooting and passing.

It was exciting to see a large number of students attend the program from both Thomas Hassall and other schools in the area. The program, designed for a variety of skill levels, saw all students highly engaged and having a lot of fun. There was a noticeable improvement in many of the players who participated in the entirety of the program. The players were thankful for the program and walked away inspired and excited to take their new skills into their games.
