Great authors in the IRC

Lynette Noni

Lynette Noni is widely considered to be one of the most popular young adult fiction authors in Australia. After school Lynette studied journalism, academic writing and human behaviour before becoming a full time writer. She is the bestselling author of the hit fantasy series 'The Medoran Chronicles' as well as the novel 'Whisper', the first in an exciting new science fiction series. Lynette recently won the 2019 ABIA Award for Small Publisher's Children's Book of the Year. She is currently working on a joint project with bestselling author Sarah J Maas, who herself is known for her popular 'Throne of Glass' series.

'The Medoran Chronicles'

"With just one step, sixteen-year-old Alexandra Jennings's world changes—literally. Dreading her first day at a new school, Alex is stunned when she walks through a doorway and finds herself stranded in Medora, a fantasy world full of impossibilities. Desperate to return home, she learns that only a man named Professor Marselle can help her... but he's missing. While waiting for him to reappear, Alex attends Akarnae Academy, Medora's boarding school for teenagers with extraordinary gifts. She soon starts to enjoy her bizarre new world and the friends who embrace her as one of their own, but strange things are happening at Akarnae, and Alex can't ignore her fear that something unexpected... something sinister... is looming."

'Whisper'

"Lengard is a secret government facility for extraordinary people," they told me. I believed them. That was my mistake. There isn't anyone else in the world like me. I'm different. I'm an anomaly. I'm a monster...

For two years, six months, fourteen days, eleven hours and sixteen minutes, Subject Six-Eight-Four — 'Jane Doe' — has been locked away and experimented on, without uttering a single word. As Jane's resolve begins to crack under the influence of her new — and unexpectedly kind — evaluator, she uncovers the truth about Lengard's mysterious 'program', discovering that her own secret is at the heart of a sinister plot ... and one wrong move, one wrong word, could change the world."

Lynette's next novel is being released later this year, and is called 'Weapon.' This continues the series that was started with 'Whisper.' The IRC has copies of all of Lynette Noni's novels. Come into the IRC today and grab a great book that you won't be able to put down!
