

THE WAY

SENIOR ASSEMBLY PERFORMANCE

Our recent assemblies have seen some of Year 12 students perform a selection of the HSC Music repertoire.

There are 20 students in the HSC Music class for 2019, with lots of great talent to share. At the last assembly, Liam P performed 'Step Aside' on tenor saxophone and Harrison D performed "Bad Asteroid" on the electric guitar. Both students performed very well, and are working hard towards their final performance taking place in 2 weeks.

In addition, Liam P, along with Ben W, have been selected to be part of the "All Star Big Band" to perform at the Manly Jazz Festival this year on the October long weekend. This band is comprised of students from around NSW, and it is an honour for these boys to be selected in this group. It will be an amazing experience for them.

The Senior Stage Band is also performing at the Manly Jazz Festival, on Saturday 5 October, at the Stars of the Future Stage, from 1pm - 2pm. This is a free event, and a lovely weekend out for the family to enjoy live music.
