

THE WAY

THE HUB PERFORMANCES

Last week saw the HUB return to the College!

The HUB is an event where various students perform for their friends in a friendly relaxed environment outside Mrs Riitano's Kitchen. Nashita H (Year 10) was also the student MC for this event, and did an excellent job engaging with the student audience and introducing the performers.

This HUB saw Sacha G sing a song and accompany herself on piano at the same time! Olivia W also sang and Evelyn K performed Rey's Theme on the keyboard.
