TERM 3 | FRIDAY 30
AUGUST 2019

SOUTH WEST FESTIVAL PERFORMANCES

Our recent South West Festival was our best yet!

14 music ensembles performed throughout the day, along with the Junior and Senior Dance Academy groups, soloists, and small ensembles on the Courtyard stage.

The amazing weather was great for the audiences too, and it was very nice to see many families and members of the public watching our students perform throughout the day.

Thanks to all the parents involved for supporting your child with all their practice leading up to the event, and the weekly support of rehearsals at College. Well done to all involved.
