

THE WAY

Year 10 Japanese

YEAR 10 JAPANESE EXCURSION

On the Thursday 15 August 2019, Year 10 Japanese Elective students participated in an excursion to the Japan Foundation Sydney.

Students were able to engage in a 2 hour language workshop and learn how to dress in a traditional Japanese Yukata (summer kimono). They viewed the extensive library at the Foundation that has a wonderful collection of Japanese titles and resources. Students participated in Matsuri style games and used language relevant to these situations.

Afterwards, we enjoyed lunch in the Central Park building in which the Foundation is located. This lovely class had a wonderful day and represented Thomas Hassall Anglican College well with their excellent conduct and willingness to put their Japanese skills into practice.
