

JUNIOR BAND JAM

A Junior Band Jam event was held at Broughton Anglican College on Monday 9.

It was the combination of five Anglican school bands and special guest conductor Mr Davison, Director of School Bands Australia, coming together to workshop four pieces that none of the bands had ever played before. The workshops focused on dynamics, rhythm and sound balance within the pieces and a concert was held for parents to showcase the efforts of the day. It was a wonderful opportunity for the students from our Intermediate Concert Band to play with other students and experience a larger band sound.

Congratulations to the Intermediate Concert Band for participating and performing to a high standard on the day.

Mr Byron Mark

Director of Ensembles
