

THE WAY

• U'15'S BOYS RUGBY LEAGUE TEAM ON THE CHARGE

The U15 Rugby league boys have continued their race towards the MISA finals, winning their last three games to take a 4 wins, 2 losses into the semis.

The boys are playing off for 3rd place vs William Carey, who they defeated in a shortened game 12-10 last week. Previously, they defeated the highly rated Wollondilly Anglican College in an astounding one-sided match, despite THAC being in 5th place at that time with Wollondilly sitting in 3rd place. In this match, half time saw the boys on top leading 12-0. They had vastly improved their handling, with no dropped balls in the first half. After some tactics were put into place from the coaching staff of Rev Dayhew, Mr Williams and Luke Sullivan at half time, the boys executed everything to perfection putting on a big score line of 30-0, following the 32-0 victory over Broughton in the previous game.

Highlights of the game included the individual running brilliance from Benjamin E and Flynn S both scoring amazing long range tries in the game. It is a tremendous achievement for a very inexperienced team to have reached the top 4 with a strong chance of securing 3rd place in a breakthrough season for THAC Rugby League.

Luke Sullivan

Assistant Coach / Sports Captain
