

THE WAY

ILLUMINATE

Illuminate on Thursday 5 September showcased all the HSC Major Works.

The Year 12 music students each performed one of their HSC pieces on a variety of instruments and music styles. The level of musicianship and ensemble work presented was of a very high standard and demonstrated student commitment to regular practice working towards achieving exceptional results.

We now await in anticipation to receive the HSC performance marks.

Well done to all the students involved.

Mr Luke Robinson

Senior School Teacher - Creative Arts & Year 8 Advisor
