HOT TOPICS - CULTURAL MARXISM : IMAGINARY OR GENUINE THREAT

SMBC Hot Topics - Cultural Marxism : Imaginary or Genuine Threat

Rob Smith will endeavour to sort fact from fiction to help us respond faithfully to the challenges of our rapidly changing world.

Various recent developments in the West (e.g., postmodernism, political correctness, victimhood culture and the erosion of various freedoms) have been spoken of as manifestations of a larger political and ideological development: Cultural (or neo-) Marxism.

With a Christian worldview perspective and careful attention to history, Rob Smith will endeavour to sort fact from fiction to help us respond faithfully to the challenges of our rapidly changing world.
