

THE WAY

P-6 ASSEMBLY

Last week - our Intermediate Concert Band performed their very first 3 movement work at the P-6 assembly.

Titled 'Colditz Castle', the music paints the picture of a famous castle in Germany that has been used for many different events throughout history, include wars, hunting grounds and weddings. This is a complex piece of music, and the students are doing very well to tackle this level of repertoire at their age.

Well done Intermediate Concert Band.
