

P-2 ASSEMBLY

In week 8, our Junior Choir and Year 1 & 2 Strings Program students performed at the P-2 assembly.

It was a great treat for our younger students to have two different performances at their assembly. The young violinists from the strings program are going very well, and are now working towards a feature performance at this years Celebration event. Our Junior Choir also put on a

spectacular performance singing the piece Adiemus. Well done to all students involved.
