

On Monday 23 and Tuesday 24 September, the Junior School celebrated their love of reading by dressing up as a character from a book.

The students brought in books and a gold coin to take part in a book swap. They got to buy a book while raising money to help two very worthwhile causes: **TEAR Australia: Build a Classroom** and **Room to Read**. We raised \$920.20, which is an amazing amount – thank you students and parents for your generosity.
