OCTOBER 2019

SENIOR STAGE BAND

Once again, our Senior Stage Band surfed their way up to Manly to perform at the International Manly Jazz Festival.

The sun was shining, and our students performed very well on the 'Stars of the Future' stage. This is the 5th year in a row our band has been selected to perform at this festival, which is an honour considering the many schools that audition for this around the State. It has been a great year for our Senior Stage Band, having also performed and participated in the Generations in Jazz Festival with James Morrison in Mt Gambier, and recording their first live film clip, soon to be released at our upcoming 'Ensembles Evening' on 21 November. Well done!
