

INTERMEDIATE CONCERT BAND ASSEMBLY PERFORMANCE

Following their amazing dress up concert, the Intermediate Concert Band performed at the recent Years 3-6 assembly.

They performed their favourite tunes; 'Lion King Medley' and 'Cyclone', a piece of music that takes you through the development of a wild cyclone. This was, unfortunately, the last performance of the year for this ensemble.

The students have done very well this year playing advanced repertoire for their age - well done

to all students!
