## JUNIOR ASSEMBLY SOLO PERFORMANCE

Our Year 4 Band Program is continually kick-starting the musical journey for so many students.

One of these students is Tamara A. Having only played trumpet for 8 months, she is playing a very high standard of music, and performed a trumpet solo at the Years P-2 assembly, performing the classic tune "Somewhere over the Rainbow".

Tamara has a bright musical future ahead of her, and is an inspiration to all our students. Keep up the great work Tamara.
