

JUNIOR DRUM CIRCLE

Each of our Senior and Junior College assemblies feature different ensembles and solo performers showcasing their talents for their peers, teachers and parents.

Our recent Years 3-6 assembly showcased our Junior Drum Circle; made up of students from Years 3-6. These students enjoy learning how to play hand percussion creating African and modern pop beats. The Junior Choir and Junior Strings Ensemble also performed at the P-6 assembly and did a

great job. Well done to all of our student performers!
