DECEMBER 2019

YEAR 8 VISUAL ARTS

It was a pleasure to see the Year 8 students producing such high quality artwork as the year comes to an end.

They have been exploring insects and animals, adapting the images for a square design, and transferring them to lino. The Cutting of the lino block is a task that requires great care and heightened attention to safety protocols. There is also skill in cutting the shapes cleanly, choosing the appropriate chisel shape and size, and formulating shapes that suit the print medium. Please enjoy these works made by the following students:

8.3 Marc T, Lucas V, Vania K.

8.4 Hannah S, Konstantina O, Maksim N, Ali S, Nikeisha O.

8.6 Adrian P, Joshua F, Tiana C, Bianca C, Lara G, Shana V, Tien D.
