

# THE WAY

## OPEN DAY

Our annual Open Day is running at the College on Friday March 6.

This is a great opportunity for prospective families to see the College in action, on a normal day. It is an ideal opportunity for future families to glimpse our culture, observe our staff and students, meet our Principal and key staff, tour our fantastic facilities and ask questions whilst enjoying morning tea.

Many families visit the College more than once when making the decision about the best school to meet the educational needs of their son or daughter.

If you have friends or family who are interested in finding out about the College, we encourage you to invite them to come along and see what sets us apart. Registrations for Open Day are [online on our website](#).

If you are able to assist on the day, please email [community@thac.nsw.edu.au](mailto:community@thac.nsw.edu.au)

Thank you for your support.
