

THE WAY

SENIOR ASSEMBLY PERFORMANCE

To kick off 2020, we began the year with an assembly to welcome back all our students to College.

During this assembly, we had two musical performances. **Naomi Clarke** performed 'Reverie' by Debussy on solo piano, and **Anneliese Luxton** sang the famous jazz standard 'Lullaby of Birdland', accompanied by Mr Mark on piano. **Aya Stratti** and **Anneliese Luxton** also sang the National Anthem to begin the assembly. These performers did an amazing job to perform on their first day back at College. Well done to these performers.
