

MICHAEL RUHS - NSW CIS BLUES AWARD

A Stunning Outcome!

Congratulations to Michael Ruhs who was recently awarded a CIS Blues Award at the CIS Sports Awards celebrating achievements in 2019. Michael's team (NSW's) was awarded the Secondary Team of the Year Award, recognising their performance at the NSWs All Schools Championships. In addition, Michael has continued with the sporting success that he enjoyed in 2019 when he

was called up to the Young Socceroos, Under 20 side to play in an international youth competition in the Netherlands. Michael performed extremely well with some encouraging words from Head Coach, Gary Van Egmond.

Michael had a great time getting valuable experience. He played alongside former Thomas Hassall student Adrian Neoklis, currently playing in Spain. It is so good seeing two boys playing side by side for their country.
