NASSA JUNIOR SOCCER SELECTIONS

NASSA Soccer selections for Year 5 and 6 students

The NASSA Junior Soccer Gala Day scheduled for Monday 9 March was cancelled due to the closure of the soccer fields. The Gala day is used to select students to represent NASSA at the NSW CIS Primary Soccer trials.

This year the GIRLS progressed to the NSW Combined Independent School trials by individual nomination through their schools. **Naomi C** and **Moriah L** were selected to represent the College at the NSW CIS trials, which were scheduled for Monday 16 March.

The BOYS held a modified trial, where a limited number of players from each school attended, to select the NASSA team to play at the NSW CIS Soccer Gala Day.

Congratulations to **Anderson C, Charlie K, Aryan M, Christian R, Matias S, Alexander S and Adrian T**, who were selected to represent the College in the NASSA team.

Unfortunately all players nominated to represent the College at the CIS trials were unable to trial as the NSW CIS selection days were cancelled.

We congratulate all players on their selection to represent the College in Soccer.
