ASSEMBLIES IN AN AGE OF SOCIAL DISTANCING

In this time when we have had to adapt so much to change we too have been looking at ways of being innovative and creative while still offering ways to be community together and allowing students to engage in the life of the College.

A very important component of College life is our Assembly times. A chance to share, showcase talent and hear important messages. We are now delivering online Assemblies through a YouTube channel with students watching from their classrooms. The assemblies consist of the normal program which includes performances, a segment with the Principal, a valuable message along with opportunities for other news to be shared.

We are enjoying this way of connecting and staying informed and thank all those who work behind the scenes on these productions. A special thanks to Mr Young and Mr Clisdell and their teams.
