

2020 TALENTED ATHLETES PROGRAMS AND DEVELOPMENT PROGRAMS

Our Talented Athletes Programs and afternoon Development Programs are now up and running. There are some spaces still available in the afternoon Development programs...

It was fantastic to see our Talented Athlete Programs re-commence last week. The programs have been adjusted to work within safe sport guidelines and everyone was excited to be active again.

We still have some vacancies in our afternoon Development Program.

To find out more information, please read the individual brochures below:
