THAC WEEKLY RECAP I
FRIDAY 5 JUNE 2020

YEAR 9 MUSIC PERFORMANCES

Year 9 Elective Music has been studying film music throughout this first semester.

This week, students presented a performance of a piece of film music of their own choice on their focus instrument, which they started to prepare during the Blended Learning Online Program. The students did very well, and it was great to hear a variety of different styles of music on a range of instruments.
