

HOUSE EVENT - CHAMPIONS CHOICE

As the current Champions of the House Cup, Carmichael selected Volleyball as the event to compete in for our first ever, 'Champion's Choice'.

This event had to be altered to cater for COVID restrictions and so Years 9 - 12 played volleyball with each year group fielding a mixed team for their House.

Years 7 & 8 engaged in a highly competitive elimination handball match where every student

contributed to their House team.

This was a wonderful opportunity for students to enjoy reconnecting with their House and Year groups whilst enjoying some healthy competition in the sunshine.

We had a great time playing volleyball and handball; reigniting the race for the House Cup at College.

Stay tuned for the overall results at the next House update in assembly.

Mrs Michelle Raft
