

FROM THE ASSISTANT CHAPLAIN

Hebrews 4:16 'Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.'

What a year 2020 has been!

One thing I have learnt this year is that I am certainly not in control of everything. It doesn't take much to realise that there are many things out of our control. The more I have been reflecting on this, the more I have come to rely on the one who is fully in control.

The Bible teaches us that God is in control of all things. That he is the God who created and sustains all things. Over the past few weeks, I have been encouraged to pray. The Bible states that we can approach God with full confidence and that he hears our prayers. The Bible tells us of the love God has for each of us and how he helps us in our time of need. So, I want to encourage you all to pray to the one who is fully in control. Pray that he will help you in your time of need. Pray, giving thanks to our amazing God who loves you more than you could ever imagine and pray knowing that he listens and cares for.

So let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.

God bless

Mr Matthew Richards
Assistant Chaplain
