

THE WAY

THE WAY WEEKLY RECAP I
FRIDAY 21 AUGUST 2020

GRADE OF ORIGIN

This week in Senior School, we began the "Grade of Origin" lunchtime sporting competition.

This term, year groups will compete against each other to determine which year group are the champions at Thomas Hassall. Each year group will play Futsal, Basketball and Volleyball during lunchtimes over the next 3 weeks to determine the winners of the inaugural Grade of Origin Cup. Although COVID-19 has limited our external competitive sports options, this competition is a fantastic opportunity for students to represent their year group and compete to be the champion year group.

This week kicked-off with the Futsal competition. Every game so far has been hotly contested and we have already seen a number of big upsets.

With the level of competition and spectator emotions at fever pitch, the College was greatly blessed to have these games officiated by Sonny Makko (Director of Football) and Adrian Neoklis (2018 alumni and Australian Football Representative).
