JUNIOR DRUM CIRCLE ASSEMBLY PERFORMANCE

Junior Drum Circle on THAC TV!

Drumming together always brings joy and happiness to those playing and listening to the beats. Last Friday, the Thomas Hassall Junior Drum Circle performed at the second virtual assembly hosted by the Junior School.

They performed a piece called **“Pitter Patter Sushi”**, inspired by rhythms from Guinea in North West Africa, and were very excited to perform again after such a long time away from the stage. The Junior Drum Circle is a diverse group of students in the Junior School. They have a great time making rhythms during their lunchtime rehearsals every Monday.

Well done to all our drummers!
