SENIOR CONCERT BAND

Musical Round Robin

Last week, our Senior Concert Band experienced a new style of music learning. Each section of the ensemble formed teams and had 7 minutes to complete a musical activity with the facilitation of the music tutors.

These games challenged students on music theory, melody recognition, puzzles, composition and even choreographing body percussion routines. After completing all 5 stations, the top two teams battled it out with a music questionnaire.

The winning team was a combination of percussion, brass and woodwind students; Stratos D, Aedan B, Tristian S and Raphael M.

Well done to these students, and to the entire ensemble for their enthusiastic participation in what was a fun afternoon of music learning.
