

YEAR 12 DRAMA 2020...TAKE A BOW!

A huge congratulations to the Year 12 HSC Drama students of 2020 who performed their Individual Projects for the HSC Examiners 2 weeks ago.

It was a day of brilliant solo performances both comedic and dramatic which showcased the student's performance and characterisation skills.

Among them were three students whose outstanding performances have been recognised with nominations for inclusion in OnSTAGE, a showcase of exemplary HSC work in NSW held each February. Each of these students are now in consideration for this event as a result of their strong work in the HSC Performance Exam. Onstage nominees include Sasha M for 'I Love Cacti', Kayla S for 'The Tell-tale Heart' and Joseph S for 'Twisted'. This is an incredible result for these students and the college.

Well done to these students!
