SENIOR ASSEMBLY PERFORMANCE

Senior Drum Circle on THAC TV!

Drumming together always brings joy and happiness to those playing and listening to the beats. Two weeks ago, the Thomas Hassall Senior Drum Circle performed at a virtual assembly; showcasing a new piece inspired by rhythms from Guinea in North West Africa. It was exciting to perform again after such a long time away from the stage.

The performance featured improvised solos from several students, and an overall super-fast display of rhythm.

Well done to all our drummers!
