

YEAR 6 INTERVIEW WITH ANGE FROM MERCY INTERNATIONAL

This term, Year 6 are completing a unit focused on South East Asia called 'Who Are Our Neighbours?'

This unit has enabled us to investigate different organisations that are currently running in South East Asia that provide aid for the surrounding community. We were lucky enough to interview with Ange via Zoom, who works for Mercy International.

She is currently working in Thailand giving aid to young children by providing them with health care, education and a safe place to call home. It was fantastic to meet with Ange and hear about her work first hand.

Year 6 are now working on creating their own 'mock' organisation that provides aid to a country within South East Asia.
