THE WAY WEEKLY RECAP I  
FRIDAY 16 OCTOBER 2020

## RETURN TO BAND REHEARSALS

### **Ensembles Return!**

During the holidays, NSW schools received fantastic news that music ensembles are allowed to resume playing their instruments again! It has been an excellent start to the term, being able to hear the full band sound again, after months of not playing as an ensemble. Of course, students are still following physical distancing guidelines, with wider spacing between each student as they play.

We look forward to being able to perform again soon to a live audience. Enjoy looking through the happy snaps from this weeks' rehearsals.

Thank you to all students and parents for being patient throughout the year, and lets continue to be cautious so that we can continue to play!
