'The Operation Christmas Child event was really enjoyable to pack gifts together as a PC class for those in need. It was a way we could think about how we can put happiness in younger kids and we can make them happy in ways, and the gifts that came from many of us' - Jovana

'I am really pleased that people who aren't as lucky as we get this chance to enjoy Christmas as we do!' - Stella

'Operation Christmas Child was a great opportunity to give gifts to people who weren't as lucky as us. I hope they enjoy the gifts everyone prepared for them as a PC. Can't wait for the next time we do this' - Aditi

'Operation Christmas Child was an excellent experience. I loved gathering all the goodies for the people in need. It was a great pleasure to see this as an advantage to see how other kids our age are living as they are. We are all so lucky to go to the school we are at, the food we eat and many other positive things about ourselves. So in the end i loved doing Operation Christmas Child' - Mia

'Operation Christmas child was an enjoyable and exciting time because you get to give the kids who don't have anything a chance to enjoy Christmas. It was fun packing all the boxes and seeing what a child could get for Christmas. It was also a way that we could give back to the unfortunate kids' - Crystal
