CELEBRATION FILMING

Studio Sessions

Many of our College ensembles are preparing to record and film for our upcoming online Celebration events. One of the special video items for this years' Celebration will feature music recorded at College from a collection of some of our senior student musicians. They have prepared a unique arrangement of two songs that fit perfectly with the theme of the video; 'Together'. The students had a great time recording, and experiences like this are invaluable for our students. The recording featured Tomas S (drums), Pierson F (bass), Joshua C (acoustic guitar), Tinashe M (piano), Petar L & Tahlia K (saxophones), and vocalists Charis O, Aya S, Anneliese L, Olivia W, Sienna P, Evelyn K and Sacha G.

We look forward to sharing the video along with the audio recording. Many thanks goes to our AV team for making these opportunities possible for our students; Mr Clisdell, Mr Ford, Mr Stambe and Miss Popovic. Well done to all students and staff involved.
