Intermediate Stage Band Jingle all the Way!

As part of the upcoming Christmas Assembly, our Intermediate Stage Band have prepared a jazzy version of the famous Christmas song "Jingle Bells". Complete with Santa hats and all, our young jazzers did a great job at learning this complex arrangement.

A big thankyou to the AV team too for all the extra effort decorating the stage with tinsel, fancy Christmas-themed lights and even electronic candy canes! Well done to all musicians in the Intermediate Stage Band.
