

MEMORABLE MOMENTS

Art of the Drum

Jules Brattoni – our long serving Visual Arts teacher of 16 years here at College, has enjoyed jamming on the djembe to add some funky rhythm to the end of his teaching career! It has been great to have Mr Brattoni jam with the students, and for his first time playing African rhythms, he did an amazing job keeping up with the students! We wish you all the best Mr Brattoni with your retirement and hope you continue to create lots of beautiful art (and keep up the drumming too!)
