

FROM THE CHAPLAIN

I am thrilled to commence my time here at Thomas Hassall as College Chaplain.

The year has been off to a very encouraging start and I look forward to getting to know many of you throughout my time here.

COVID made 2020 a very hard year, plans were spoiled and relationships were strained because of restrictions. COVID has left many feeling that a good future is uncertain. The bible says otherwise – we have a future in Jesus.

We have this hope as an anchor for our lives. It is safe and sure, and goes through the curtain of the heavenly temple into the inner sanctuary. On our behalf Jesus has gone in there before us
(Hebrews 6:19)

To have faith in Jesus is to have an anchor for the soul. Jesus is lodged in Heaven, with God, and all who trust in him go to where he is. We are not in control of the future, but he is - all we have is the present. Can I encourage you, as I do your children, to put your faith in Jesus one day at a time.
