

THE WAY

YEAR 2 SWIMMING

Year 2 started swimming for sport this week at Prairiewood Leisure Centre .

Excitement levels were high as we got ready and walked to the bus. It was like going on an excursion! When we arrived at the pool, the students were tested and placed in appropriate groups for their level of ability.

Here is what some of our students thought of their first trip:

Levi - "The water was a bit cold"

Stefan - "Great, the bus was cool"

McKenna - "It was nice in the water"

Noah - "It was so much fun, I love swimming"

William - "I was so happy to go on the bus"

Overall, it was a great start to sport for Term 1. All students were keen to get better at swimming and become more confident in the water. They are looking forward to their next visit!

Mrs Trudi Woods

Year 2 Team Leader
