THE WAY

TERM 1 | FRIDAY 5 MARCH 2021

MESSAGE FROM THE COLLEGE NURSE

Just a friendly reminder that we have a large number of students and staff who have nut allergies.

Some of these allergies are life-threatening to those individuals. Therefore our College is 'Allergy Aware' and we ask that you **do not send any products that contain nuts to College.** The integrated nature of our College means that any student who brings these items to College could inadvertently contribute to a crisis for these students.

Thank you for your understanding and support.

Ms Karen Tindall
College Nurse
