'Travel to the world of Hyrule in this exciting action-packed manga series.'

"Link must defeat evil at every turn in his perilous quest to help Princess Zelda! Once upon a time, wizards tried to conquer the Sacred Realm of Hyrule. The Spirits of Light sealed the wizards' power within the Shadow Crystal and banished them to the Twilight Realm beyond the Mirror of Twilight. Now, an evil menace is trying to find Midna, Princess of the Twilight Realm, and the fragments of the Shadow Crystal to gain the power to rule over both the Twilight Realm and the World of Light. Link once trained in swordsmanship, hoping to protect the world of Hyrule. After a fateful meeting, he sought out the anonymity and peace of life in a small village. But danger and adventure always find heroes to set things right, and when the dark minions of the King of Shadows threaten his new home, Link answers the call!"

'The Legend of Zelda: Twilight Princess' is an exciting and thrilling Japanese graphic novel series written and illustrated by manga veterans A. Honda and S. Nagano under the pseudonym Akira Himekawa. Based on the famous video game, this series does a lot more than simply retell the original story, it greatly expands and adds to the source material, bringing to life this fascinating story and its wonderful characters in a way that the video game could not. Link the main protagonist is more than just a voiceless hero, he has real personality and a desire to do good that makes him a character all readers will cheer for. Each page is filled with beautifully drawn black and white illustrations, featuring incredible detail, each image seemingly jumps off the page. This series is perfect not only for fans of the video game but also for any manga and fantasy fiction fans. A wonderful series that will be loved by many. The Senior IRC currently has volumes one to four, with each new volume being purchased as it comes available.
