

CIS KNOCKOUT

Last Friday afternoon Thomas Hassall versed Newington High School in the CIS Knockout Soccer Match.

The CIS Thomas Hassall boys were unlucky conceding the first goal by a penalty. At half time the coach Sonny Macko had some inspiring words to pump up the boys for the second half, believing that they had a chance to get back into the game. It was frustrating not taking our opportunities

in the second half with a couple of goals that were ruled offside. Finally getting one back with a great header beating the goalkeeper inspired the boys, to keep pushing. Unfortunately within the dying ends of the game, the boy's conceded a second penalty which was frustrating for the whole team. Other than that, the Thomas Hassall boys worked extremely hard but were unlucky in the end.

End score 2 - 1 Newington way.
