

YEAR 4 BAND PROGRAM

We are now into the 7th year of our Year 4 Band Program. This program provides an opportunity for all Year 4 students to learn a Concert Band instrument, under the guidance of professional musicians.

Each week, students participate in a theory lesson, instrumental group lesson, and a concert band rehearsal. This week was the first time students combined all the instruments together. It was a very exciting rehearsal, and students enjoyed hearing the big sound of all the instruments together.

We look forward to being able to present a Year 4 Band performance to you all soon. Well done to all these students for a great job in learning their instruments so far.

Mr Byron Mark

Director of Ensembles
