

YEAR 3 AUTHOR VISIT

Year 3 had a visit from the very well-known and popular author Louise Park recently.

Louise draws from a strong background in Education and literacy to produce her blockbuster bestsellers that include *Zac Power Test Drives* and *Spy Recruit*, *Boy vs Beast*, *Star Girl*, *Bella Dancerella*, *Harriet Clare* and her latest time-slip series, *Grace's Secrets*.

As an author she spends her days battling beasts, finding those secret doors, portals and hidden tunnels to magical lands, pretending to be the world's best ballerina, and solving Harriet Clare's MEGA-HUGE and terribly troublesome dramas while helping her cope with anxiety.

The students learnt a lot about the writing process which they will be able to transfer into their own work.
