

FEATURE ON THE COLLEGE WEBSITE

It is time to update our website with quotes from our Students.

We are asking students to fill in the Questionnaire answering a few questions about what they enjoy at the College. There will be a few quotes taken from this questionnaire. If your child's quote is chosen they will be asked to take part in a photo shoot and featured on the website.

If you would like your child to get involved please ask them to fill out the following form <https://forms.gle/1kMdx5ygTDH7ci946>
