

YEAR 7 DEBATING

On Thursday afternoon, the Year 7 debating team debated against Shire Christian School in the second round of the HICES Debating Competition.

After a win in the first round, Year 7's debating team were keen to continue their winning streak. Debating over zoom for the first time, the team presented compelling arguments but, unfortunately, lost the round. We're all looking forward to seeing what the team can present next round. Well done to all of those students who participated!
