

MANGA SELECTION DAY IN THE SENIOR LIBRARY

During lunchtime on Wednesday 31 March, the Senior Library held its first ever Manga selection day.

Each student was given a form and was asked to write down the five series that they most want to see added to the collection. The results have been tallied and the most popular books will be purchased to add to the Library's growing manga section. Mrs Comiskey and Mr Smith would like to give a big thank you to Karl Belik from BOOKZONE who not only brought out all the books for the students to see, but helpfully answered any questions they had about the different series. Manga selection day will definitely be making a return next year!

Mrs Annette Comiskey & Mr Michael Smith
