

YEAR 2 LEARNS ABOUT AUSTRALIAN ARTISTS

Year 2R have been studying Australian artists and they wanted to show their Ken Done inspired art work to the man himself.

So they wrote him a letter and sent pictures of their work. They invited him to come and see their work and they even got a response, that he's a little busy at the moment. However, the gallery sent the class a beautiful poster, addressed to 2R and signed by Ken Done himself.

They were all very excited!
