

NSW CIS PRIMARY NETBALL GALA DAY

On Friday 7 May, Ella W represented NASSA Junior schools at the CIS Primary Girls Netball Gala Day.

Ella played well throughout the day, turning over the ball and combining well with other players in NASSA team.

Ella's performance during the rounds was noticed and she progressed to the final stage of selection, with the top 23 players in the state vying for a position in the State team.

Although Ella was unsuccessful on this occasion, she showed excellent skill and sportsmanship throughout the day. We look forward to her trialling again for the team next year.

Congratulations Ella!
